

CCPCR'S PREVENTION ACTIVITIES

Cambodia Countering Trafficking-in-Person Program (CTIP)

In purpose of reducing risk of migration to work abroad, CCPCR's prevention project is playing a very significant role in some target areas at Koh Kong and Svay Rieng province. There are some activities of the prevention project have been conducted such as, Awareness Raising, SHGs, Agriculture Cooperation (AC), Skill Training and other. CCPCR's prevention activity were actively and importantly conducted under supported by USAID's partner, Cambodia Countering trafficking in Person (CTIP) implemented by Winrock International.

CCPCR's project staffs collaborated with the Department of Agriculture and stakeholders at Svay Rieng province to facilitate and conduct the Agriculture Cooperative conference with 92(48f) participants who were from local authorities and vulnerable household at Areack Svay Village in Andong Pou commune. The purpose of the conference was to select the leader of AC, discuss approval of the guideline of AC and legal register with department of Agriculture at Svay Rieng province. In the progress, the name of AC (Andong Pou commune Agriculture Cooperative) was approved and agreed for 50000 Riel distribution and 5000 Riel for service. And the participants voted for 5 Board of Director and 3 leaders of AC from selection.

ccpcr conducted AC in Svay Rieng Province

CCPCR Collaborated with relevant local authorities in the target communes to Set up 5 Self- Help Group with 148 (113f) participants who were from vulnerable families at Tranpong Sak, Ampil and Trolack village (Mream commune), and Tranpeng Chor, Chang Prey village (Andong Pou commune) in Svay Rieng province. In the process of setting up these SHGs, all vulnerable and other people in the village were invited to join the meeting to know about the object, importance and process of it, after they decided to participate. CCPCR project staff selected the committee of SHGs by following the guideline of PDRD and all members must respect the policy of SHGs to make sure that this team is appropriate in development, accountabilities and equality.

CCPCR set up SHGs in Svay Rieng province

CCPCR coordinated and supported local authorities to conduct one awareness raising with 32villagers (16 females) participated at Doung Peng Commune, Srea Ambeol district, Koh Kong Province. The purpose for the awareness raising is to enhancing the ability and understanding of the villagers to identify the issues of child sexual abuse and human trafficking, and strategy to prevention child abuse and human trafficking, promoting the safe migration and unsafe migration. During the conducting awareness raising, CCPCR also distributed the 100 leaflet in Khmer language to the participants that produced by WI and partners. CCPCR explained the participants about the meaning's leaflets, for example, how to use and contact in case that they have been facing the problem when they are at other countries, or far away from home.

CCPCR conducted Awareness Raising in Koh Kong

There are **19 (3f)** clients were conducted assessment for providing vocational skills training (as hairdresser, motor repair, beauty salons and one sewing machine repair). The prevention Livelihood officer has prepared the document to find a private shop or institution and a list of clients for request budget for food, accommodation, school fee, health and materials. And moreover, other 16 families at Trok, Baray, Chantrea village in Svay Rieng province were conducted family assessment plan in order to provide livelihood training on financial management. The result of assessment showed that 14 families have plan to raise pig and chicken at home, and 2 families have plan to set up small business as sell grocery at home.
